RICHARD H. TRENT.

THREW STONES AT HER NEW SON-IN-LAW

HILO, September 22.—Hilo will soon begin having a reputation for elopements. If the present record is kept up, last Saturday the third episode of this kind within a couple of months took place in this city when Charles G. Badenfelt, cashier for contractor A. A. Wilson, who has charge of the work of building the Hamakua extension of the Hilo railroad, married the seventeen year old daughter of Joseph Vierra, of this city. They were married by the Rev. Fenton-Smith, and promptly took the afternoon train for Oahu, that they might be far from the angry mother, who certainly showed a great deal of temper when she heard of what had happened.

Mrs. Vierra appeared at the police station and wanted a warrant issued for the two and threatened all kinds of dire vengeance. She was calmed down as much as possible but on Tuesday afternoon again became angry over the matter and went to the house in this city where Mr. and Mrs. Badenfelt are living. She demanded her daughter and when her request was not granted, proceeded to start a shower of stones toward the house, annoying those within to such an extent that the Sheriff's office was communicated with and an officer sent to the scene of the trouble.

Pe-ru-na Promptly Relieves Severe Cold and La Grippe.

Mr. T. Barnecott, West Aylmer, Ontario, Can., writes: "Last winter I was ill with pneumonia after having la grippe. I took Peruna for two months, when I became quite well, and I can say that any one can be cured by it in a reasonable time and at little expense. Every time I take a cold I take some Peruna, which makes me well again. I also induced a young lady, who was all run down and confined to the house, to take Peruna, and after taking Peruna for three months she is able to follow her trade of tailoring. "I can recommend Peruna for all such who are ill and require a tonic."

MR. T. BARNECOTT.

EVERY year, during the inclement weather of winter, there is an epidemic of la grippe. The disease is really catarrhal in nature, but from the form it assumes, has been commonly termed the "grip."

Splendid Remedy for La Grippe. Mr. Frank H. Fielder, 213 Pleasant Ave., Montgomery, Alabama, U. S. A., formerly principal of Haynesville High School, writes:

"I can truthfully say that Peruna is a splendid remedy for la grippe and a good tonic for building up the system." La grippe is very treacherous when it once gets a firm hold upon the system, and in addition to a thorough, systemic

catarrh remedy, a great deal of patience and persistence in the treatment are required to eradicate the disease.

Peruna, an internal catarrh remedy, is one of the best medicines ever devised to meet the exigencies of these cases. The large number of commendatory letters received by Dr. Hartman, the inventor of Peruna, in behalf of its remedy is proof sufficient of its value as a reliable medicine for the "grip."

Prompt Relief.

Mr. Frank Bauer, Minneapolis, Minnesota, U. S. A., writes: "I suffered with la grippe. My lungs felt as if knives were sticking in them. I took Peruna and in four days I was able to go out."

campaign manager and it was whispered that \$2,000 of the Democratic campaign money will be used on Maui.

In one or two cases the Democrats did not nominate county men whom the Home Rulers had put up, but in such cases they left the ticket blank, which amounts to the same thing.

The ticket nominated by the Home Rulers is as follows:

Senator, C. L. Kookoo. Representatives, S. P. Kaal of Molokai; J. K. Hihio of Lahaina; A. B. Naone and Antonio de Rego of Wailuku; Sam Kunda of Kuia, Makawao; J. M. Noa Kupan of Kaupo.

County officers—Supervisors: Hana John Kamamui; Makawao, Nelson Kalo; Wailuku, T. B. Lyons; Lahaina, Geo. Kauli; Molokai, O. Tollefsen; Sheriff, H. C. Mossman; Auditor, Moke Keohokaloie; Treasurer, John W. Record; for Clerk and County Attorney no nominations were made.

The Democratic ticket for this district and county is as follows:

Senator—Blank. Representatives—S. P. Kaal, J. K. Hihio, A. B. Naone, Antonio de Rego, Sam Kunda and J. M. Noa Kupan. Practically a fusion ticket with the exception of the senator.

Supervisors—O. Tollefsen, Molokai; Geo. Kauli, Lahaina; T. B. Lyons, Wailuku. In Makawao and Hana the anti-fusionists won out, and the two places were left blank.

County Sheriff, H. C. Mossman; County Treasurer, John W. Record; County Auditor, Moke Keohokaloie; County Attorney, blank.

The county officers at large was a fusion ticket, with the exception of County Clerk, where Morris Keohokaloie is the nominee, but the Home Rule wing will probably endorse him.

HOME RULERS ARE NOT IN THE COUNTY FIGHT

The Home Rulers of Oahu have left their county ticket blank, except as to three supervisors. They have nominated no mayor, sheriff, etc. They are reported to be considerably divided as to whether to support Republicans or Democrats for the other offices. D. Kalaokalani, Sr., long the president of the party, and now a candidate for senator, is quoted as telling his followers to support Republicans.

Notley's advice as given to the convention, in his absence, as to the offices left blank, was that the members of the party should vote for the men they thought were best for the offices. In addition to Kalaokalani, the convention yesterday nominated William Mossman, Jr., and Peter Kealakali, for the senate long terms and William White for the short term.

For the House from the Fifth district nominations were: G. M. Keone, from Ewa; Kuheamaka, from Laie; W. K. Kalehula, Honolulu; S. P. K. Malulani, Honolulu; D. Ahia, Honolulu; and A. P. Paoo, Honolulu.

From the fourth district those chosen were A. J. Kipi, D. Mahuahia, H. Meheula.

The three supervisors named yesterday were Moses Kamalani, John Poe and S. L. Paleholani.
